To Whom It May Concern:

As the teacher of the Media Production Class at Chiefess Kamakahahei Middle School, I want to express my full support and commitment to Hiki No, the first student news network of Hawaii. Our school community wholeheartedly supports this endeavor to link our communities together within the state and eventually the world. Our youth have a powerful voice and Hiki No will provide the avenue to which their stories can be shared.

We are excited and are looking forward to working collaboratively with our peers to show the world what our students can do.

We are truly honored to be participating in such a worthwhile project.

Sincerely,
